Cardis 2017

Call for Participation

CARDIS 2017

Lugano, November 13-15 2017
https://2017.cardis.org

On behalf of the CARDIS 2017 organization committee, we would like to invite you to attend the 16th international conference on SmartCard Research and Advanced Applications Conference. CARDIS is more than 20 years old and has become the foremost international academic conference dedicated to research on smart cards and its applications but also covers topics such as embedded systems security and cryptography.

The 16th Smart Card Research & Advanced Application Conference (CARDIS 2017) will take place on November 13-15, 2017, at the Lugano campus of the "Università della Svizzera italiana", Lugano, Switzerland.

The program will consist of 14 papers and 3 invited talks, including:

"Security for IoT" by Pierre Girard (Gemalto)

"White Box Cryptography" by Matthieu Rivain (CryptoExperts)

"Post Quantum Cryptography" by Thomas Pöppelmann (Infineon)

More information about CARDIS 2017 can be found at the following links:
Description of the talks and the program: https://2017.cardis.org/program.html
Registration (**early registration deadline October 18**): https://2017.cardis.org/registration.html

Hoping to see you in Lugano in November,

Francesco Regazzoni, General chair
